OUR GOALS FOR TONIGHT

What We Hope to Accomplish

- Finalize Preliminary Recommendations
- Review process moving forward
 - Expand on community survey process
 - Discuss prioritization

How Does FAC Fairly Analyze Different Options?

- School facilities should offer a **welcoming and engaging environment designed for 21st-century learning**
- School facilities should provide **space for future enrollment growth**
- School facilities should represent **good value**
- School facilities should be **equitable and align with community values**

FAC Charge: Key Responsibilities

1. Review background & data
2. Analyze facilities options
3. Assess costs and tax impact
4. Prepare preliminary recommendations in advance of community survey
5. Report monthly to the Monona Grove Board of Education
6. Prepare final advisory report to the Board

Review Preliminary Recommendations

LONG RANGE FACILITIES PLANNING TIMELINE

Purpose of Community Survey

- Gather broad community feedback
- Give public a voice in decision-making
- Build ownership among stakeholders
- Communicate important information to community members
- Independently collect credible data

What Can We Test?

- Facilities options preferences
- Tax tolerance
- Referendum timing
- Priorities

Survey Timeline

- Survey development February - March
- Survey open April
- Report results mid-May

Thank you for your participation!

Next Meeting - Board Presentation - February 14th

Determining Priorities

- Board of Education discusses FACs preliminary recommendations, survey strategy
- Community survey identifies broad priorities and tax tolerance
- FAC reconvenes in May
 - Opportunity to respond to community survey
 - FAC may recommend narrowing project scope, if needed
 - Administrative recommendations
- Board of Education makes final decision on project scope, timing, etc.
