Vacation/Extended Excused Absence Form Grades 6-8

Student Name _____ Dates Absent _____

____ Vacation ____ Funeral ____ Medical ____ Other _____

Parent Information

The intent of this form is to provide you with teacher recommendations regarding the proposed absence of the student for three or more days.

The majority of all class time involves learning situations that vary from time to time. Make-up work, in itself, will not begin to maintain the student's pace in the academic program. An extended absence may cause the majority of our students a considerable setback with or without extra help. Please take this into consideration.
