Dear Student:

One of the most rewarding experiences you could have at Monona Grove High School comes in the form of involvement in our Extra-Curricular programs. I hope you find our 2014-15 edition of the Extra-Curricular Handbook helpful in understanding the wide variety of opportunities that exist. As you can see, the Purpose Statement of our extra-curricular program represents our interests in providing you with a successful experience that will enrich your life.

PURPOSE STATEMENT

An individual’s total education extends beyond the classroom. The purpose of an effective extra-curricular program must be to provide each student with opportunities for emotional, cultural, mental, physical, and social growth. This growth can be accomplished through activities that support and advance the curriculum, promote common interest, develop a sense of ownership in the school, and reflect and enhance the goals of the school district. In order to accomplish this purpose, the extra-curricular program should exhibit the following characteristics:

- High level of participation
- Equal access for all students
- Responsiveness to student’s interest and talents
- Faculty participation and support
- Interaction with parents and community
- Diverse opportunities
- Development of leadership qualities
- Enjoyable experiences and positive attitudes
- Promotion of a curiosity about an interest in many different activities

Introduction to Fine Arts Clubs:

The Fine Arts at Monona Grove High School are a group of extra-curricular offerings available to all students. These activities allow for exploration of a variety of subjects in the arts and humanities. Chamber music, visual arts, creative writing, drama, musical theater and video production are a sampling of the offerings.

Monona Grove has a long history of excellence in the fine arts, with many groups achieving top rankings at district and state festivals. Membership requirements, rehearsals, production times and performances vary for each group. Students with specific questions about a Fine Arts offering are encouraged to contact the advisor of the activity in question or Mr. Dorn, MGHS Fine Arts Coordinator.

All students who participate in a Fine Arts activity are eligible for Fine Arts Awards. Advisors for the various activities set criteria for different award designations. Three levels of awards are possible – Certificate of Participation, Certificate of Outstanding Achievement and a Fine Arts letter. Fine Arts letters are similar to Athletic letters. Students are presented awards each May at an annual Fine Arts Awards Night.

In addition, one senior is recognized annually as Monona Grove’s Fine Arts “Student of the Year”. The recipient of this award is selected by the Fine Arts Advisors and is recognized with scholarship money, as well as a plaque.

About 25 to 30 percent of Monona Grove students participate in at least one Fine Arts activity. Many students elect to participate in more than one group. The Fine Arts are a fun way to pursue artistic interests, meet new friends, and do something positive for your school and community. They also give you a chance to explore potential careers, develop lifelong hobbies and look great on college admission applications or job resumes. All students are encouraged to check out the Fine Arts offerings!

For information call the Fine Arts Coordinator, Pat Dorn at (608)316-1810

For Activities information updates and cancellations call (608)316-1395
Art Club

Eligibility Requirements
• Any student interested in art

Description
• Students interested in pursuing art activities outside of class get together for meetings, work on group projects, and take part in activities to promote art in the community. May participate in annual art trip and help with fundraising.

Activity Time Period
• September through May

Regular Meetings
• 2 times/month, usually on Wednesdays or Thursdays.

Membership Limit
• Unlimited

Cost/ Equipment Required
• None

Procedure for Joining
• Contact an art teacher at the beginning of the school year

Advisor
Ms. Valley: Bonnie.Valley@mgschools.net

Chess Club

Eligibility Requirements
• Students interested in learning about the game of Chess

Description
• Chess club is an opportunity for beginners to learn the game and for experts to show their skills in friendly competition with each other.

Activity Time Period
• September through June

Regular Meetings
• Once every 2 weeks
• Room to be determined

Membership Limit
• Unlimited

Cost/ Equipment Required
• None

Procedure for Joining
• See Mrs. Paull in Room 185

Advisor
• Mrs. Paull
• Email: Jill.Paull@mgschools.net
Creative Video

Eligibility Requirements
- Any student interested in video

Description
- Students who are interested in learning the technical and creative aspects of developing television programs for distribution into the school and community.

Activity Time Period
- September through May

Regular Meetings
- Meets during both lunches

Membership Limit
- Unlimited

Introduction to Student Activity Clubs:

Student Activities seek to offer additional opportunities to all students in a variety of experience areas. The following pages offer cultural, academic, student government, and special interest clubs.

Getting involved is the first step towards having a successful and satisfying experience and opportunity. Getting the most out of this experience is directly related to an organized program and strong leadership by the advisor along with the commitment of the student. Each students' commitment to an activity or team can be fun and a chance to open up opportunities for interesting and unique experiences only associated with these extra-curricular programs.

For the following clubs and student activities described in this booklet, members understand that they serve as student leaders. These student members serve as role models for responsible behavior in the school and community and must adhere to all school rules and the Extra-Curricular Code of Conduct*. Participation in these clubs and activities is a privilege and violations to the rules could result in a defined suspension from the activity.

* See - Extra-Curricular Code
Eligibility Requirements
• Students who have taken a business or marketing course.

Description
• DECA promotes Marketing, Management and Entrepreneurship. An opportunity to gain additional experiences through competitions, leadership conferences and civic activities.

**Regular Meetings**
- 7:15am Tuesdays

**Membership Limit**
- None

**Cost/ Equipment Required**
- None

**Advisor**
- Ms. Baxter: Michelle.Baxter@mgschools.net
Introduction to Student Athletics:

Monona Grove High School commits itself to an athletic program that will provide all students athletes, in an equitable manner, an opportunity to compete at a level commensurate with their ability. The District supports the development of sufficient teams comprised of interscholastic opportunities at each level to satisfy this ideal. The District believes that interscholastic competition in athletics has vital educational value and is an effective, cohesive force for the school and the community.

While every student athlete is of primary importance in the District’s athletic program, the needs and demands of the team, budget funding and facility limitations will determine the extent to which the District can meet individual options.

Monona Grove High School is a member of the Wisconsin Interscholastic Athletic Association (WIAA) and participates in the Badger Conference. Both of these associations serve as a governing body for our athletic programs and have established guidelines in which to follow. Participation in athletics is a privilege and violations to the rules could result in a defined suspension from the sport involved.

* See - Extra-Curricular Code

Registration

Before students are allowed to practice or compete they will need to obtain a “Blue Slip” from the Athletic Office located in the high school main office. The “Blue Slip” provides the Athletic Department with assurance that all valid and current information is accurate and collected.

Sport registration packets and information is available in the high school main office. Everyone is encouraged to view the Monona Grove District Web-page at mononagrove.org for schedules and other athletic information.

Transportation

The Monona Grove School District has established arrangements for transportation opportunities for Monona and Cottage Grove students who are participating in a sport or activity that uses facilities away from the high school campus.

**Late Bus**:
* Leaves the high school at 6:00 PM
* Stops at Taylor Prairie School and Cottage Grove School ONLY
* Available to any high school student in the district. All students should have their student ID for verification.

**Practice Bus**:
* Leaves the high school at 3:50 PM
* Used for athletic practices in Cottage Grove
* Returns to the high school only at 6:15 PM
* Available to any high school student participating in athletics at MGHS
