

Annual Notice of Educational Options for Children
who Reside in the Monona Grove School District

The following summarizes Monona Grove School District's educational options for children who reside in the district pursuant to section 118.57 of the state statute. The district's primary education path and instructional program for students involves progression from 4 year old kindergarten through grade 12, leading to a high school diploma.

Some of the specific educational programming options offered to eligible students who are enrolled in and attending the district's schools include the following:

- Early childhood special education (for students who are at least 3 years old but not yet school age).
- Special Education for students with disabilities
- Instruction and support for emergent bilinguals/English Language Learners
- Career and Technical (CTE) programs at the middle and high school levels, including Youth Apprenticeship. More information about Youth Apprenticeship can be found [here](#).
- Individualized programming and curriculum modifications for eligible students (ie. advanced learning, at-risk, 504)
- Charter school
- Summer School programming

The full version of the district's most recent school and district accountability report, as issued by the Wisconsin Department of Public Instruction under section 115.385 of the state statutes, can be accessed on this webpage: <http://dpi.wi.gov/accountability/report-cards>.

Educational options for students who are enrolled in the Monona Grove School District that involve part-time attendance at an educational institution other than a school of the MGSD (dual-enrollment) include the following:

- Start College Now - information can be found at <https://dpi.wi.gov/dual-enrollment/start-college-now>
- Early College Credit Program - information can be found at <https://dpi.wi.gov/dual-enrollment/eccp>

Additional educational options for children who reside in the district that involve full-time enrollment/attendance at a school, program, or other educational institution that is not a school or instrumentality of the Monona Grove School District include the following:

- High school students meeting certain age and other eligibility requirements may be permitted to attend a technical college or certain other programs for the purpose of

completing a program leading to the student's high school graduation or to a high school equivalency diploma.

- Full-time open enrollment involving physical attendance in a public school of a nonresident district or attendance through a virtual charter school that is associated with a nonresident school district
- Beginning in 2016-17, a child with a disability who meets the program's specific eligibility requirements may apply to attend an eligible, participating private school under a scholarship awarded through the state's "Special Needs Scholarship Program," as established under section 115.7915 of the state statutes.
- Enrollment in a private school of the family's choosing, at the family's own cost, as applicable
- Private school participating in the parental choice program
- Enrollment in a home-based private educational program as provided under state law

Educational options for children who reside in the Monona Grove School District but who are enrolled in and attending a private school or a home-based private educational program include the following:

- Private school students in the high school grades have the opportunity to apply for approval to take up to two courses per semester in a district school, pursuant to section 118.145(4) of the state statutes.
- Students who are enrolled in a home-based private education program have the opportunity to participate in district interscholastic athletics (with the guidelines of the WIAA for eligibility) and extracurricular activities as provided under section 118.133 of the state statutes.
