

Parent/Observer Account

1. Go to <https://mononagrove.instructure.com/>
2. Click **Need a Canvas Account? Clicker Here, It's Free!**

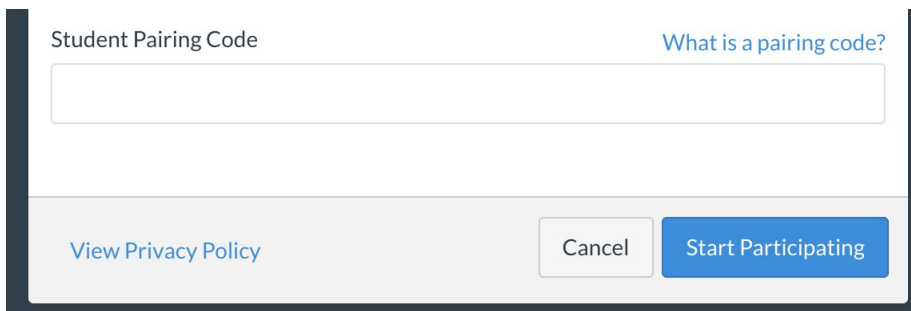

The image shows the Canvas login page. In the top right corner, there is a red rectangular box highlighting the text: "Need a Canvas Account? Click Here, It's Free!". Below this box is a link that says "Browse courses". The main login area includes the Canvas logo, an "Email" input field, a "Password" input field, a "Log In" button, a "Stay signed in" checkbox, and a "Forgot Password?" link.

3. Enter name, email, and create a password

The image shows a "Parent Signup" form. It has a title bar with "Parent Signup" and a close button (X). The form contains four input fields: "Your Name", "Your Email", "Password", and "Re-enter Password".

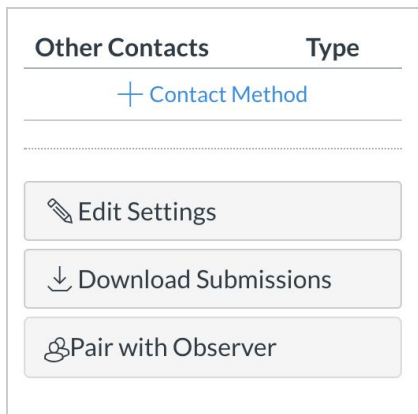

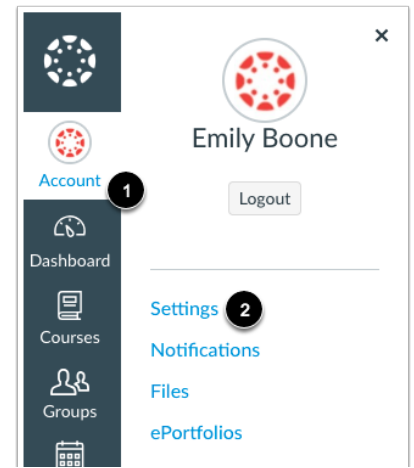

4. You will need to pair your account with your student(s) account (**see Step 5**)

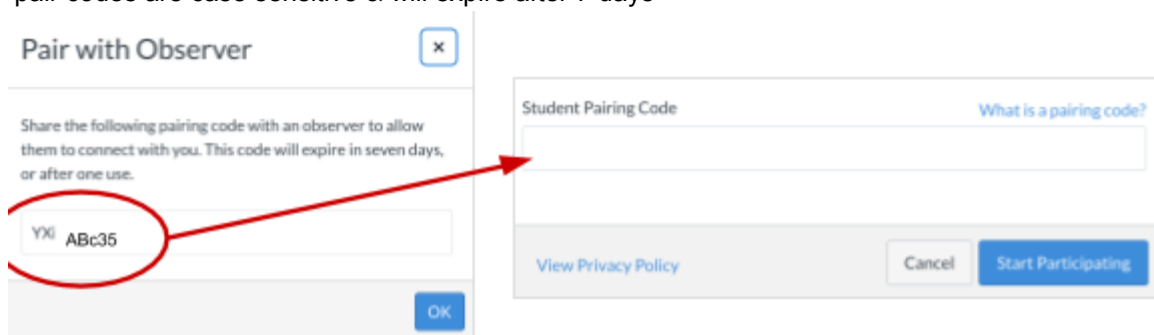

The image shows a "Student Pairing Code" form. It has a title bar with "Student Pairing Code" and a link "What is a pairing code?". Below the title bar is a large input field for the pairing code. At the bottom of the form, there are three buttons: "View Privacy Policy", "Cancel", and "Start Participating".

5. To find **Student Pair Code**: Your student will need to log in to their account.

- a. Click on Account in the left sidebar
- b. Click on Settings
- c. Click on **Pair with Observer** on the right side of the screen

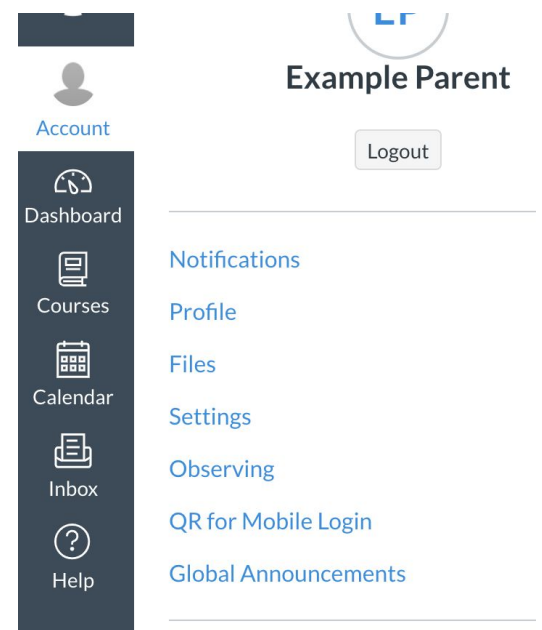

d. Copy the pairing code and enter it in parent/observer sign up
*pair codes are case sensitive & will expire after 7 days

6. Have another student to pair?

- a. Login in as the parent observer
- b. Click on **Account** in the left sidebar
- c. Click on **Observing**

- d. Locate Student Pairing Code in the student's account.
- e. Enter the code
- f. Click +Student
